- *http://en.wikipedia.org/wiki/Rose_Fortune*

Rose Fortune

Her business

- *In 1825 she started her own business, carting luggage between the ferry docks and nearby homes and hotels*
- *Later, she implemented a rudimentary "wake-up call" service in which she would alert people at nearby inns in danger of missing departing ships*
- *also imposed and enforced curfews at the wharves and the surrounding area, hence enforcing the law at early Annapolis Royal*
- *Many consider her the first policewoman in Canada*

Rose fortune

My personal reflection on rose fortune

- *I think rose fortune was a lot of help when she was alive because if she was never alive or never had came to nova scoita she would have never have helped the people going to the boats and most of them would have missed there boat.*
